Rule 75 A relates to requisitioning of property
in clause (b) of Article (5). as it presently reads is
follows:— The Control Govt. shall by order
(b) direct that the owner, occupier or person in
possession of property shall not without the permission
of Govt. dispose of it or when the property is a building
(structure) alter it) till the expiry of such period as
may be specified in the order.

After the word ~~shall~~ 'structure' alter it
the words: when the property is movable remove it
from the property in which it is kept: shall be inserted.

This amendment may perhaps be adopted
to bring our Rules in line with those in the Arctic.

The second amendment is in
Rule 78 B - Salvage from premises damaged by
war operations. The words 'animals' have
been inserted to the words 'articles or things'
wherever they occur.

This amendment including the
explanation may perhaps be adopted.

Subs for period and orders.
